Dear Harold,

Thanks so much for that INCREDIBLE message! Must have come from a phone tap? To best of my recollection, in 1945 we were living in San Francisco and I was working as financial director (fund-raiser) for the East Bay Calif. Labor School, whose director was Gordon Williams. Hence, ~~xxxxxxx~~ the phone call sounds quite plausible -- but what's the connexion with Oswald/Ruby in 1963? Too fascinating.

Best regards,

Dorothy
